Top Inlet
K006A-1

Cleaning & Care

- Clean only with a soft cloth or sponge using warm water and mild soap or detergent. Do not use any abrasive cleaning materials.
- Do not use any solvents or corrosive liquids.
- Note that use of clip-on deodorisers will affect flushing performance on rimless suites.

We aim to ensure that specifications are correct at the time of publication. All measurements are shown in millimetres. For ceramic products, please allow +/- 10 mm tolerance for manufacturing variance. Always use measurements of actual product received for final specification as the technical drawing may contain differences. Due to printing limitations, physical colour may vary from the image shown. Fienza reserves the right to make modifications without prior notice.
