\*Refer AS/NZS 3500

- Evenflo™ technology helps to ensure consistent water flow delivery to help prevent fluctuations in water temperature even when pressure is unbalanced. Precise temperature transition from cold to hot minimises the risk of scalding and thermal shock
- 40mm ceramic disc cartridge
- Adjustable temperature settings to prevent scalding
- Solid brass construction for longevity
- Extended solid lever handle
- Easy to distinguish hot and cold indicators
- Concealed faceplate fixing - no need for silicone sealing
- Incorporates brass lugs for ease of mounting
- Body inlets - 1/2" BSP female
- WELS rating not required

**THE METHVEN GUARANTEE.** For total peace of mind, all domestic tapware products include a 15 Year Parts and Labour Guarantee. For commercial installations, a Five Year Guarantee on Parts and Labour and a 10 Year Guarantee on Cartridge Replacements applies.
