Cleaning & Care

- Regularly clean with mild soapy water using a clean, soft cloth.
- Do not use harsh detergents, bleach, abrasive cleaners or cream/wax cleaners. These substances can result in scratches and/or deposit build-ups that will affect the appearance.
- Avoid placing hot objects, such as hair straighteners, on any surface as these will cause discolouration and marking.
- Spills of hair dye, after-shave lotion, nail polish and remover, aerosol spray and other harsh chemicals should be removed immediately to prevent damage and discolouration. Clean immediately with mild soapy water using a clean, soft cloth.
