

## PLAZA CISTERN

VITREOUS CHINA CISTERN  
WITH SEAT AND LINK

4.5/3 LITRE FLUSH (CONVERTIBLE TO 6/3 LITRE)

# PLAZA CISTERN

## VITREOUS CHINA CISTERN WITH SEAT AND LINK

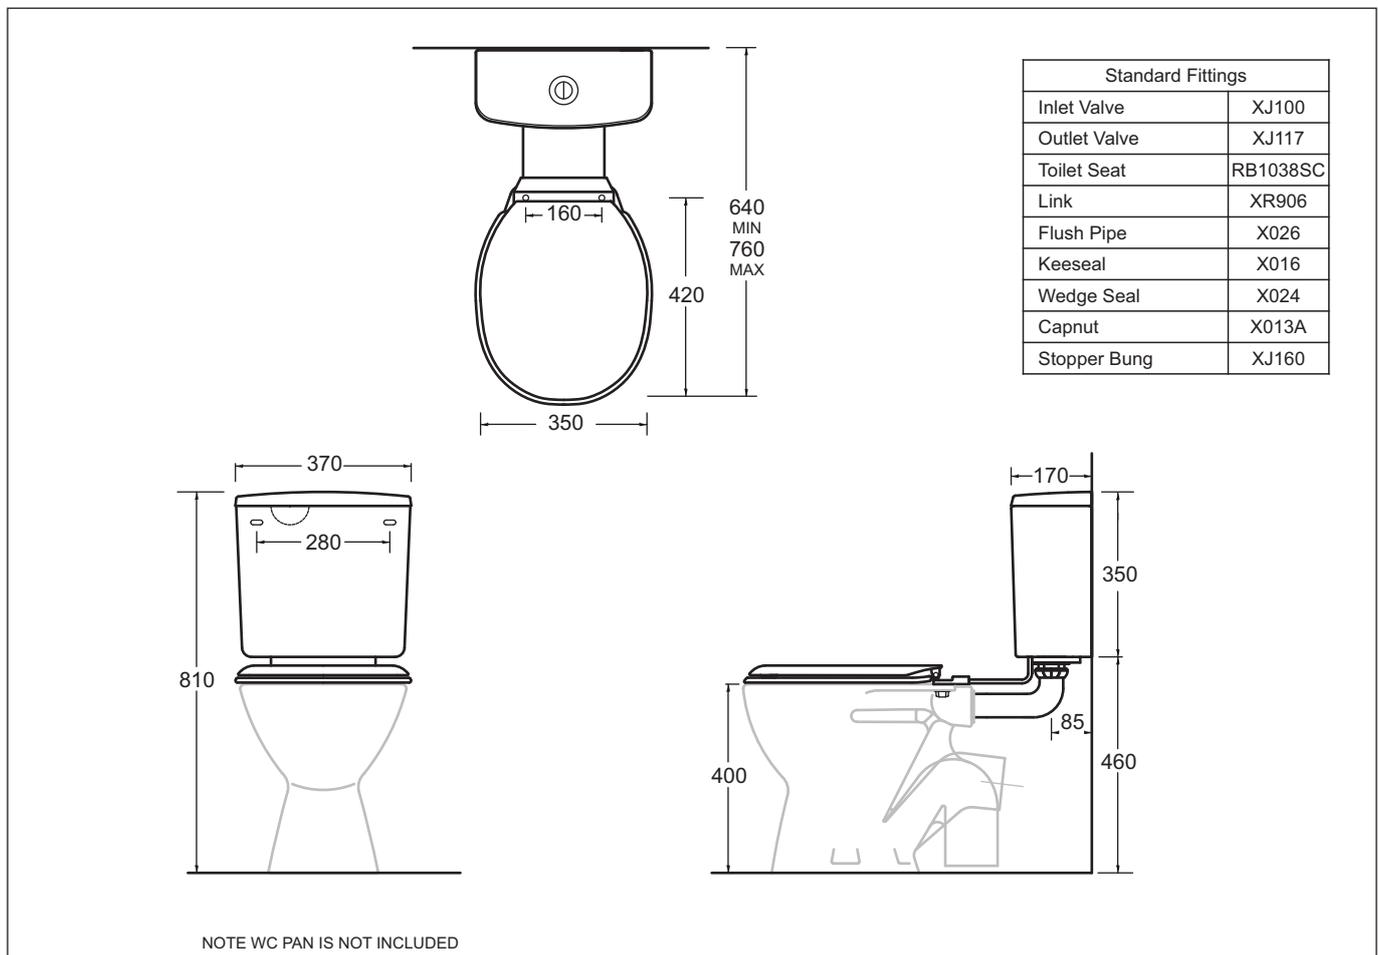

- Stylish multi-purpose vitreous china cistern
- The Plaza cistern is used as a wall-mounted linked unit with Mode and Mode Deluxe pans and as a close coupled unit in the Plaza suite. It is also used in the Plaza Feature suite
- When used in a Link suite the design allows for a variable set out range (typically 140-300mm)
- When used in a Close Coupled suite the cistern is connected to the pan using a connector plate that eliminates the need for two extra holes in the cistern base
- When used in a Feature suite the exposed metal flush pipe also provides a variable set out range (140-260mm)
- The cistern uses quality, adjustable inlet and outlet valves allowing the flush volume to be varied if necessary
- Soft close seat
- LH/RH water inlet
- 4.5/3L dual flush - 4 Star WELS rated

**Provided**
