FEATURES:

+ 4 gas burners includes wok
+ Flame failure safety device
+ Side knob control
+ One touch electronic ignition

+ Cast iron trivets
+ Natural gas or LPG (jets included)
+ One piece hob for easy cleaning
+ Stainless steel finish

CAST IRON TRIVETS
Non-slip, enamel trivets are standard with this cooktop and removable for easy cleaning.

EASY CLEANING
Cooktop surface all in a "one piece hob setting" which makes cleaning the cooktop simple.

ONE TOUCH ELECTRONIC IGNITION
This gas cooktop uses a one-touch electronic ignition system. Simply push down the knob and turn and the flame will ignite.

FLAME FAILURE SAFETY DEVICE
The flame failure device is a safety mechanism which ensures the gas is automatically turned off in the case of the flame extinguishing.

CLEANING AND MAINTENANCE

+ Cleaning operations must only be carried out when the appliance is completely cool.
+ Clean the appliance regularly, preferably after each use
+ Abrasive cleaners or sharp objects will damage the appliance surface; you should clean it using water and a little washing up liquid
