# Marina Island

## Steel Bath

Nominal Sizes:

1500mm x 710mm x 385mm

1700mm x 745mm x 385mm

A contemporary quality porcelain enamel finish on a steel bath to suit island applications featuring a luxurious 385mm depth with long lasting and environmentally friendly physical attributes. The non-porous surface is resistant to scratching, household chemicals and will not absorb dirt, stains or germs.

The **Marina** bath is available in two sizes:

1500mm long x 710mm wide x 385mm deep – standard Code No.857590.

1700mm long x 745mm wide x 385mm deep – standard Code No.857591.

Overflow options available.

**Durability:** The shell is a seamless rigid steel pressing, a strong durable material that won't flex or bend so the shape is permanent with a non-porous, glass hard porcelain enamel finish which provides a hygienic, scratch and stain resistant surface.

**Waste Outlet:** Waste outlet is suitable for 40mm diameter standard waste assembly.

**Bath Capacity:** 1500 x 710 – 200 litres to rim, with overflow 140 litres.  
1700 x 745 – 250 litres to rim, with overflow 175 litres

**Installation:** The bath is suitable for island installations. The bath is self-supported around its rim. The support system may be timber, metal or brick. Refer Sheet 9.17.1 for further installation information.

**Colour:** White only.

**Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
