Supersedes all previous issues

# 2.41.2

### Teo 2.0 600

The pure geometric form of the Teo 2.0 basin reflects the confidence of a minimalist style. Inspired by the latest European trend to thinner rims and Made in Italy, the clean, straight lines and square styling, creates a strong statement for the bathroom. The basin is suitable for general purpose, domestic and commercial applications.

**Tap Holes:** Basin available in: No tapholes Code No.EU510905; one taphole Code No.EU510915.

**Waste Outlet:** The basin has been designed for the Caroma waste outlet suitable for a 40mm trap connection. Chrome flush fitting waste and white plug supplied. Alternative waste options are available — Plug & anti-vandal flush fitting chrome waste Code No.687141C; Plug & chrome grate waste Code No.687328C; Chrome pop-up plug and waste Code No.687329C.

**Bowl Capacity:** 7.2 litres to overflow.

**Overflow:** Overflow available only. Designed for maximum tap flow rate of 8 litres/minute.

**Fixing:** The underside of the basin rim must be sealed to the counter top with an acetic cured silicone sealant. **Epoxy type glues must not be used.** The basin is supplied with a template which must be used for the counter top cut-out.

**Colours:** White only.

**Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.

Tapware and bottle trap shown not included.
